

DRAFT – NGI Access Terms for Dexter Steis

This draft document describes provisional terms for NGI access on EnronOnline (EOL) for Dexter Steis.

- Guest login provides read-only access to NGI indices on EOL.
- Coverage includes the SoCal Border hub and other NGI locations as configured by Enron.
- Pricing shown in NGI is indicative only and may change prior to final approval.
- Access is intended to support fair index formation and shall not be used for trading decisions.

This version is for internal review and is not a final approval.
